

NOW HIRING K-12 TUTORS !

Elevate Learning is an in-home tutoring program specializing in one-on-one instructions for student's grades K-12 in Mathematics and English Language Arts. We offer tutoring for kids who qualify for supplemental educational services through the No Child Left Behind Act Program. If you want to make a difference in a child's life, we invite you to come and apply to be a tutor:

Qualifications:

- Able to pass a TB test and Live-Scan
- Must have reliable transportation
- 60 semester units equivalent to 90 quarter units OR (1) year of tutoring experience
- Please bring a resume and a valid picture ID to the recruitment

Job Description:

- Part-Time and Flexible Hours
- Each Tutor sets his or her own schedule
- Weekend hours available
- Tutor works with the same students on a weekly basis
- Sessions occur at the student's home or a preferred location, such as a public library
- Positions available in all areas

Compensation:

- \$16- \$20 / Hour
