

KERN COUNTY CAREER EXPO 2020

“Building Career Awareness for Tomorrow’s Workforce”

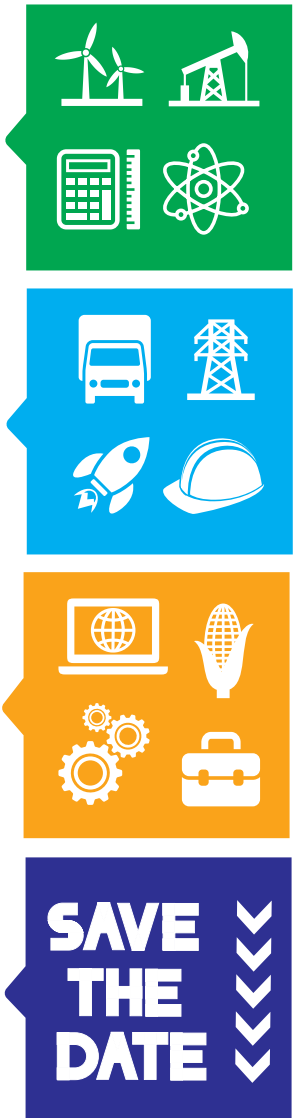

On Thursday, March 5th the Kern High School District and its Partners are hosting the 3rd Annual Kern County Career Expo at the Mechanics Bank Arena and Convention Center. This career exploration event will focus on building career awareness for tomorrow’s workforce.

Our goal is to get 150 Employers to participate and promote their different career path opportunities available within their companies. It is anticipated that 5,000 -7,000 middle school and high school students, recent graduates, and parents will attend this free event.

All registered employers will receive space at a 10x10 booth. More information about the event, including an employer registration link and sponsorship opportunities is available at cte.kernhigh.org/careerexpo/. Companies that require a financial investment will not be permitted. For additional assistance, please contact Erin Hodson at (661) 396-4430 or erin_hodson@kernhigh.org
