

EMPLOYERS' TRAINING RESOURCE

A Proud Partner of America's Job Center

Employers' Training Resource offers a variety of programs for youth between the ages of 14-24 through funding provided under the Workforce Innovation and Opportunity Act (WIOA). All programs are operated by ETR / AJCC, partner agencies including local school districts, public and private service providers.

Additional programs are available for youths who qualify and meet various eligibility requirements.

In-School Programs

In-School Youth Programs are aimed at helping 14-21 year olds currently enrolled in High School who are at risk of dropping out.

The Program Goals Include

- Improving academic performance
- Staying in school
- Earning a High School Diploma
- Developing the life and work-readiness skills needed to succeed in the workplace or in post-secondary education
- Obtaining employment or enrolling in post-secondary education or training

Many In-School Youth Programs offer paid work experience placements and/or incentives to help participants earn money as they learn.

Out-Of-School Programs

Out-of-School Youth Program are aimed at helping 16-24 year olds who:

- Are not enrolled in High School or Alternative School and do not have a Diploma or GED
- Have graduated from High School but are still deficient in reading and/or math skills
- Are not ready for or are not old enough to enroll in an Adult Occupational Skills Training Program

The Program Goals Include

- Improving basic reading and math skills if necessary
- Re-enrolling in High School, independent study and/or GED preparation if needed
- Developing life and work-readiness skills needed to succeed in the workplace or post-secondary education
- Obtaining employment or enrolling in college or other advanced training at program completion

Many Out-of-School Youth Programs offer paid work experience placements and/or incentives to help participants earn money as they learn. Some programs focus specifically on the needs of youth who are "aging out" of foster care to help them make a successful transition to independent living.
