

CSU BAKERSFIELD
EXTENDED EDUCATION

ACCELERATED DRUG & ALCOHOL STUDIES

Certificate Training Program

We all want a career that is just as rewarding personally as it is professionally. This training program will provide candidates with the professional counseling skills needed to help someone overcome an addiction. Potential career paths include a variety of human service occupations to work in the judicial systems including: drug courts, prison, jails, DUI programs; alcohol and drug counselors, health educators, MFTs, LCSWs, or as staff members at a facility that treats substance abuse.
