

RECYCLING LIVES

Job Readiness Training with Transitional Jobs

**REGISTER
TODAY!**

Classes start
June 15, 2021

Bakersfield Adult School
LEARNING FOR LIFE

Participants who successfully complete this program will have the skills to work in the recycling, warehouse/logistics industries

7 weeks of classroom training

29 hours of paid work experience and 6 hours of classroom training per week

Must have a High School Diploma or GED, complete a WorkKeys assessment, pass a drug screening, and a WESTEC Passport Certificate* is preferred

* Can be referred to WESTEC after training

The recycling lives course will provide adult learners with the principles of recycling process, including entrepreneurship and business fundamentals. In the Business Management Pathway, participants will learn goal setting, resource allocation, organizational structure and management techniques. This unique course is a partnership between Bakersfield Adult School, BARC, County of Kern, and Kern Alliance of Business. The partnership will help provide participants to access the entire workforce development system, which is designed to increase access to, and opportunities for employment, education, training, and support services.
